

Family Friends' Day

Family Friends' Day is just around the corner, and it's a great way for grandparents, aunts, uncles or other special adult friends to spend time in the classroom. Friends will meet in the gym for coffee, simple refreshments, and a short program, then go to their student's classroom, where the teacher has created a special project for friends and students to work on together.

We will send an invite out to your student's friend of choice. Please fill out the form below with the name and address of your guest, and we will ensure that an invite is mailed to them. It may be a good idea for you to let the guest know that it will arrive, and what to expect.

If you have any questions, please contact the office, or email janar@westsideschool.org.

**Family Friends' Day is from 10:30am - Noon
